---

### RESEARCH INTERESTS

---

- Comparative analysis of societal patterns and values that lead to different models of labour regulation. The study, in particular, of the Nordic models since these appear to be more gender inclusive and democratic.
- Comparative analysis of labour regulation impact on gender inequality.
- Study of multilevel regulation: The interplay between International, EU and domestic law.
- The transversal effects of politics and economy in labour law as well as the impact of labour law in economy.

---

### PROFESSIONAL EXPERIENCE, NOT RELATED TO RESEARCH

---

- In-house lawyer and Secretary of the Board: 2010 - 2013, in a private company. Previously working as assistant to the Legal Dept. for several years in the same company.
